SUBJECT : ADP Management Information System

REFERENCE : Memorandum to ADP Officers from  
Information Processing Coordinator/  
Directorate of Science and Technology  
dated 2 October 67, same subject

1. This memorandum contains a revision to the procedures outlined in the ADP Management Information Systems Manual which was forwarded to you under cover of referenced memorandum.

2. The Chief, Information Processing Staff, Office of Planning, Programming and Budgeting has determined that it is no longer necessary to furnish semi-annual reports of projected EDPE losses since the on-hand inventory includes a planned release date for each EDPE component. Accordingly, the word "Losses" should be struck from the second item in the ADP MIS Reporting Schedule, page 9 of the ADP-MIS Manual, and all subsequent references in this manual to the "Projected EDPE Loss Report" may be ignored.
